## Skills & Abilities

### **PUNCTUALITY**

I pride myself on being on time and make it a habit to arrive early.

### **STRONG WORK ETHIC**

My experience in the service industry has instilled a strong work ethic that will transfer well into any industry.

### **COMMUNICATION**

I firmly believe effective communication skills are essential.

### **LEADERSHIP**

My role as a camp counselor every summer for an organization called Camp Kesem was my first introduction to a leadership role. I was in charge of a small group of kids whose parents are affected by cancer. My job was to make sure these kids have a fun and care-free week in spite of their circumstances.
